NEW YORK, August 12, 2025 – Inc., the leading media brand and playbook for the entrepreneurs and business leaders shaping our future, today announced that GBS Linens, Inc. is No. 4131 on the annual Inc. 5000 list, the most prestigious ranking of the fastest-growing private companies in America. The list provides a data-driven snapshot of the most successful companies within the economy's most dynamic segment—its independent, entrepreneurial businesses. Past honorees include companies such as Microsoft, Meta, Chobani, Under Armour, Timberland, Oracle, and Patagonia.

"Earning a place on the Inc. 5000 list is an incredible honor and a testament to the dedication of our team, the loyalty of our clients, and the strength of our vision," said Sujata Mody Kamdar, Chairman of GBS Linens, Inc. "As a women-led, minority-owned business with over 40 years in the linen industry, we've built our success on delivering unmatched value, innovative solutions, and exceptional service nationwide. This recognition reaffirms that doing right by our clients, investing in our communities, and staying true to our craft is not just good business, it's the foundation for lasting growth."

This year's Inc. 5000 honorees have demonstrated exceptional growth while navigating economic uncertainty, inflationary pressure, and a fluctuating labor market. Among the top 500 companies on the list, the median three-year revenue growth rate reached 1,552 percent, and those companies have collectively added more than 48,678 jobs to the U.S. economy over the past three years.

"These businesses have thrived amid rising costs, shifting global dynamics, and constant change. They didn't just weather the storm—they grew through it, and their stories are a powerful reminder that the entrepreneurial spirit is the engine of the U.S. economy."

Inc. will celebrate the honorees at the 2025 [Inc. 5000 Conference & Gala](#), taking place October 22–24 in Phoenix, and the top 500 will be listed in the Fall issue of *Inc.* magazine.
